projects to share

explore.

inspire.

share.

50

Meet modulyss. In a selection of 50 projects around the world. Each one as different from the next. Because that's what we love to do most: design carpet tiles that bring out the distinctive character of a space. To see that our modular flooring solutions help shape so many diverse commercial projects makes us proud.
So proud that we want to share it with you.

Thinking about your next project? Inspiration is just a page turn away.
